THE HAMPTONS & MONTAUK

The Baker House 1650

Meet the Original Hamptons

About 20 hamlets and villages comprise the Hamptons on the East End of Long Island, but East Hampton is a celebrity in its own right. East Hampton is the original cool kid with its celebrity sightings, upscale shopping and destination dining, not to mention world-class beaches.

Look beyond palatial summer homes and sparkling beaches to explore the 16-acre sculpture garden at LongHouse Reserve or modern art at the Pollack-Krasner House. Dive into local history at the circa 1720 Home Sweet Home Museum. Here are our top picks for visiting the Hamptons in 2018:
